# Horse With No Name

## America

On the first part of the journey  
 I was looking at all the life  
 There were plants and birds and rocks and things  
 There was sand and hills and rings  
 The first thing I met was a fly with a buzz  
 And the sky with no clouds  
 The heat was hot and the ground was dry  
 But the air was full of sound

I've been through the desert on a horse with no name  
 It felt good to be out of the rain  
 In the desert you can remember your name  
 cause there aint no one for to give you no pain  
 La, la ...

After two days in the desert sun  
 My skin began to turn red  
 After three days in the desert sun  
 I was looking at a river bed  
 And the story it told of a river that flowed  
 Made me sad to think it was dead

You see I've been through the desert on a horse with no name  
 It felt good to be out of the rain  
 In the desert you can remember your name  
 cause there aint no one for to give you no pain  
 La, la ...

After nine days I let the horse run free  
 cause the desert had turned to sea  
 There were plants and birds and rocks and things  
 There was sand and hills and rings  
 The ocean is a desert with its life underground  
 And a perfect disguise above  
 Under the cities lies a heart made of ground  
 But the humans will give no love

You see I've been through the desert on a horse with no name  
 It felt good to be out of the rain  
 In the desert you can remember your name  
 cause there aint no one for to give you no pain  
 La, la ...

# I Saw Her Standing There (Beatles)

Yeah, since I saw her standing there

For an easier version, leave out the Ab chord

Well she was just seventeen, You know what I mean

And the way she looked was way beyond compare

So how could I dance with another, Oh  
When I saw her standing there

Well she looked at me, and I, I could see  
That before too long I'd fall in love with her  
She wouldn't dance with another Oh,  
When I saw her standing there

## Chorus

Well my heart went boom when I crossed that room

And I held her hand in mine

Oh we danced through the night and we held each other tight  
And before too long I fell in love with her

Now I'll never dance with another, Oh  
When I saw her standing there

Well my heart went boom when I crossed that room

And I held her hand in mine

Oh we danced through the night and we held each other tight  
And before too long I fell in love with her

Now I'll never dance with another, Oh  
When I saw her standing there

## Outro

Oh, since I saw her standing there

# Octopus' Garden

## The Beatles (Lenon/McCartney)

**C** **Am**  
I'd like to be under the sea  
**F** **G**  
In an octopus' garden in the shade  
**C** **Am**  
He'd let us in, knows where we've been  
**F** **G**  
In his octopus' garden in the shade

**Am**  
I'd ask my friends to come and see  
**F** **G**  
An octopus' garden with me  
**C** **Am**  
I'd like to be under the sea  
**F** **G** **C**  
In an octopus' garden in the shade.

**C** **Am**  
We would be warm below the storm  
**F** **G**  
In our little hideaway beneath the waves  
**C** **Am**  
Resting our head on the sea bed  
**F** **G**  
In an octopus' garden near a cave

**Am**  
We would sing and dance around  
**F** **G**  
because we know we can't be found  
**C** **Am**  
I'd like to be under the sea  
**F** **G** **C**  
In an octopus' garden in the shade

**C** **Am**  
We would shout and swim about  
**F** **G**  
The coral that lies beneath the waves  
(Lies beneath the ocean waves)  
**C** **Am**  
Oh what joy for every girl and boy  
**F** **G**  
Knowing they're happy and they're safe

Young man, there's no need to feel down.

**Am**  
I said, young man, pick yourself off the  
ground.

**F**  
I said, young man, 'cause you're in a new town  
**G**  
There's no need to be unhappy.

Young man, there's a place you can go.  
I said, young man, when you're short on your  
dough.  
You can stay there, and I'm sure you will find  
Many ways to have a good time.

**C**  
It's fun to stay at the Y-M-C-A.  
**Am**  
It's fun to stay at the Y-M-C-A.  
**F**  
They have everything for you men to enjoy,  
**G**  
You can hang out with all the boys ...

**C**  
It's fun to stay at the Y-M-C-A.  
**Am**  
It's fun to stay at the Y-M-C-A.  
**F**  
You can get yourself cleaned, you can have a

**G**  
You can do whatever you feel ...

Young man, are you listening to me?  
I said, young man, what do you want to be?  
I said, young man, you can make real your  
dreams.  
But you got to know this one thing!

No man does it all by himself.  
I said, young man, put your pride on the shelf,  
And just go there, to the y.m.c.a.  
I'm sure they can help you today.

It's fun to stay at the Y-M-C-A.  
It's fun to stay at the Y-M-C-A.  
They have everything for you men to enjoy,  
You can hang out with all the boys ...

It's fun to stay at the Y-M-C-A.  
It's fun to stay at the Y-M-C-A.  
You can get yourself cleaned, you can have a  
good meal,  
You can do whatever you feel ...

Young man, I was once in your shoes.  
I said, I was down and out with the blues.  
I felt no man cared if I were alive.  
I felt the whole world was so tight ...

That's when someone came up to me,  
And said, young man, take a walk up the  
street.

There's a place there called the y.m.c.a.  
They can start you back on your way.

It's fun to stay at the Y-M-C-A.  
It's fun to stay at the Y-M-C-A.  
They have everything for you men to enjoy,  
You can hang out with all the boys ...

Y-M-C-A ... you'll find it at the Y-M-C-A.

Young man, young man, there's no need to  
feel down.  
Young man, young man, get yourself off the  
ground.

Y-M-C-A ... you'll find it at the Y-M-C-A.

Young man, young man, there's no need to  
feel down.  
Young man, young man, get yourself off the  
ground.

Y-M-C-A ... just go to the Y-M-C-A.

Young man, young man, are you listening to  
me?  
Young man, young man, what do you wanna  
be?

 My body bruised, shes got me with  
 Nothing to win and

**C** You hear the ding dong ring  
**G**  
**C** You go marchin to the table  
**C**  
**C** You see the same old thing

Ain't no food upon the table  
 And no fork in the pan

 You get in trouble with the man

 Tell me how do you know  
 I know her by her apron

 Umbrella on her shoulder  
 Piece of paper in her hand  
 She come to see the captain  
 She want to free her man

Let the midnight special shine a light on me  
 Let the midnight special shine a ever-lovin'  
 light on me

If you're ever in Houston  
 Well you'd better do right  
 You'd better not gamble  
 And you better not fight  
 Or the sheriff will grab you  
 The boys will bring you down  
 The next thing you know boy  
 Well, you're prison bound

Let the midnight special shine a light on me  
 Let the midnight special shine a ever-lovin'  
 light on me

For once in my life  
**C** **G**  
It's gonna feel real good

Gonna make a difference

Gonna make it right

This wind is blowin' my mind  
**C** **G**  
I see the kids in the street

With not enough to eat  
**C** **F**  
Who am I to be blind  
Pretending not to see their needs

**Dm**  
A summer's disregard  
**Em/A**  
A broken bottle top  
**F** **Em/A**  
And a one man's soul

They follow each other

On the wind ya' know  
**F** **G**  
'Cause they got nowhere to go

I'm starting with the man in the mirror  
**C** **G** **F** **G** **C**  
I'm asking him to change his ways

It's time that I realize  
**C** **G**  
There are some with no home  
**Am**  
Not a nickel to loan  
**C** **F**  
Could it be really pretending that they're not

**Dm**  
A willow deeply scarred  
**Em/A**  
Somebody's broken heart  
**F** **Em/A**  
And a washed out dream  
**Dm** **Em/A**  
They follow the pattern of the wind ya' see

# Turn Turn Turn

## Pete Seeger

To everything (turn, turn, turn)  
 There is a season (turn, turn, turn)  
 And a time for every purpose, under heaven

A time to be born, a time to die  
 A time to plant, a time to reap  
 A time to kill, a time to heal  
 A time to laugh, a time to weep

To everything (turn, turn, turn)  
 There is a season (turn, turn, turn)  
 And a time for every purpose, under heaven

A time to build up, a time to break down  
 A time to dance, a time to mourn  
 A time to cast away stones,  
 A time to gather stones together

To everything (turn, turn, turn)  
 There is a season (turn, turn, turn)  
 And a time for every purpose, under heaven

A time of love, a time of hate  
 A time of war, a time of peace  
 A time you may embrace,  
 a time to refrain from embracing

To everything (turn, turn, turn)  
 There is a season (turn, turn, turn)  
 And a time for every purpose, under heaven

A time to gain, a time to lose

A time to rend, a time to sew  
 A time to love, a time to hate  
 A time for peace, I swear its not too late

# Loves Me Like A Rock (Paul Simon)

When I was a little boy, (when I was just a boy)  
And the devil would call my name (when I was just a boy)

I'd say now who do, Who do you think you're fooling?  
(when I was just a boy)  
I'm a consecrated boy (when I was just a boy)  
I'm a singer in a sunday choir

## Chorus

My mama loves me, she loves me  
She get down on her knees and hug me  
She loves me like a rock  
She rocks me like the rock of ages  
And loves me  
She love me, love me, love me, love me

When I was grown to be a man (grown to be a man)  
And the devil would call my name (grown to be a man)

I'd say now who do, Who do you think you're fooling?  
(grown to be a man)  
I'm a consummated man (grown to be a man)  
I can snatch a little purity

## Chorus

And if I was president (was the president)  
And the congress call my name (was the president)

I'd say now who do, Who do you think you're fooling?  
(who do you think you're fooling)  
I've got the presidential seal (was the president)

I'm up on the presidential podium

## Chorus

My mama loves me, she loves me  
She get down on her knees and hug me

She loves me like a rock  
She rocks me like the rock of ages  
And loves me  
She love me, love me, love me, love me

**Under the Boardwalk / Banana Boat Medley**

When the sun beats down, and melts the tar  
upon the roof  
And your shoes get so hot, you wish your tired  
feet were fire-proof

Under the boardwalk, down by the sea  
On a blanket with my baby, that's where I'll  
be

Under the boardwalk, out of the sun  
Under the boardwalk, we'll be having some  
fun

Under the boardwalk, people walking above  
Under the boardwalk, we'll be falling in love  
Under the board-walk, board-walk

From the park you'll hear the happy sounds of  
a carousel

You can almost taste those hot dogs and  
french fries they sell

Under the boardwalk, down by the sea  
On a blanket with my baby, that's where I'll  
be

Daylight come an' I wanna go home

Six han' seven han' eight han' bunch  
Daylight come an' I wanna go home

# I'm Yours

## Jason Mraz

### Intro

C G Am F

Well you done done me and you bet I felt it  
I tried to be chill but you're so hot that I melted

I fell right through the cracks

Now I'm trying to get back

Before the cool done run out  
I'll be giving it my bestest

And nothing's going to stop me but divine intervention

I reckon it's again my turn to win some or learn some

I won't hesitate no more, no more

It cannot wait, I'm yours

C G Am F

Well open up your mind and see like me

Open up your plans and damn you're free

Look into your heart and you'll find love love love love

Listen to the music of the moment people dance and sing

We're just one big family

And It's our God-forsaken right to be loved  
love loved love loved

So I won't hesitate no more, no more

It cannot wait I'm sure

There's no need to complicate

Our time is short

This is our fate, I'm yours

### Instrumental Bridge

C G Am G F D  
C G Am G F D

I've been spending way too long checking my tongue in the mirror

And bending over backwards just to try to see it clearer

But my breath fogged up the glass

And so I drew a new face and I laughed

I guess what I'm be saying is there ain't no better reason

To rid yourself of vanities and just go with the seasons

It's what we aim to do

Our name is our virtue

I won't hesitate no more, no more

It cannot wait, I'm yours

Well open up your mind and see like me

Open up your plans and damn you're free

Look into your heart and you'll find that the sky is yours

Please don't, please don't, please don't

There's no need to complicate

Cause our time is short

This oh this this is our fate, I'm yours!

# Love Story

## Taylor Swift

**G**  
We were both young when I first saw you  
**C**  
I close my eyes and the flashback starts  
**Em**  
I'm standing there  
**D**  
On a balcony in summer air

**G**  
See the lights, see the party, the ball gowns  
**C**  
I see you make your way through the crowd  
**Em**  
And say hello,  
**D**  
Little did I know

**C** **D**  
That you were Romeo, you were throwing  
pebbles  
**G** **Em**  
And my daddy said stay away from Juliet  
**C**  
And I was crying on the staircase  
**D** **Em** **C**  
Begging you please don't go, and I said

**G**  
Romeo take me somewhere we can be alone  
**D**  
I'll be waiting all there's left to do is run  
**Em**  
You'll be the prince and I'll be the princess  
**C** **D** **G**  
It's a love story baby just say yes

**G**  
So I sneak out to the garden to see you  
**C**  
We keep quiet 'cause we're dead if they knew  
**Em**  
So close your eyes  
**D**  
Escape this town for a little while

**C** **D**  
'Cause you were Romeo, I was a scarlet letter  
**G** **Em**  
And my daddy said stay away from Juliet  
**C**  
But you were everything to me  
**D** **Em** **C**  
I was begging you please don't go and I said

**G**  
Romeo take me somewhere we can be alone

**D**  
I'll be waiting all there's left to do is run  
**Em**  
You'll be the prince and I'll be the princess  
**C** **D** **G**  
It's a love story baby just say yes

**G**  
Romeo save me, they try to tell me how to feel  
**D**  
This love is difficult, but it's real  
**Em**  
Don't be afraid, we'll make it out of this mess  
**C** **D** **G**  
It's a love story baby just say yes

**Em** **C**  
I got tired of waiting  
**G** **D**  
Wondering if you were ever coming around  
**Em** **C**  
My faith in you is fading  
**G** **D**  
When I met you on the outskirts of town, and I  
said

**G**  
Romeo save me I've been feeling so alone  
**D**  
I keep waiting for you but you never come  
**Em**  
Is this in my head? I don't know what to think  
**C**  
He knelt to the ground and pulled out a ring

**G**  
And said, marry me Juliet  
You'll never have to be alone  
**D**  
I love you and that's all I really know  
**Em**  
I talked to your dad, go pick out a white dress  
**C** **D** **G**  
It's a love story baby just say yes

Oh, oh, oh, oh  
'Cause we were both young when I first saw  
you

 And gone back to her ma and pa  
 Tellin' tales of drunkenness and cruelty  
 Now I'm sittin' here,  
 Sippin' at my ice-cold beer,  
 Lazin' on a sunny afternoon

Help me, help me, help me sail away  
 Or give me two good reasons why I oughtta stay

# I Want A Banana

Tolchard Evans / Ralph Butler

**G** **G+**  
 A sailor and his sweetheart  
**C**  
 were walking hand in hand,  
**D** **D7**  
 The day that he was sailing  
**G**  
 for a foreign land,  
**G** **G+**  
 Said he, "Oh tell me, darling,

 what shall I bring you back?"

 She came a little closer

 I want a banana, I want a banana,

 bring me back a banana sailor boy!

You brought me back an orange,  
 it gave me great delight,  
 You brought me back a lemon,  
 and you squeezed me tight,  
 You brought me back a grapefruit,  
 I paid you with a kiss,  
 Now, when you're in Jamaica,  
 please remember this:

## Chorus

You brought me back a straw hat  
 that came from Panama,  
 A pair of coral earrings,  
 back from Zanzibar,  
 Fine Oriental trinkets  
 are beautiful no doubt,  
 But when you're in Jamaica,  
 please cut the knick-knacks out!

# Something Stupid

## C. Carson Parks

I know I stand in line, until you think you have  
the time

To spend an evening with me  
And if we go someplace to dance, I know that

there's a chance  
You won't be leaving with me

And afterwards we drop into a quiet little  
place

And have a drink or two  
And then I go and spoil it all, by saying  
something stupid

Like: "I love you"

I can see it in your eyes, that you despise the  
same old lies

You heard the night before  
And though it's just a line to you, for me it's  
true

It never seemed so right before

I practice every day to find some clever lines  
to say

To make the meaning come through  
But then I think I'll wait until the evening gets

late  
And I'm alone with you

The time is right your perfume fills my head,  
the stars get red

And oh the night's so blue

And then I go and spoil it all, by saying  
something stupid

Like: "I love you"

I love you

I love you

# Frank Mills

**G** **D**  
 I met a boy called Frank Mills  
**Em** **C**  
 On September twelfth right here  
**G**  
 In front of the Waverly  
**Am**  
 But unfortunately  
**D** **G**  
 I lost his address  
  
**G** **D**  
 He was last seen with his friend,  
**Em** **C**  
 A drummer, he resembles George Harrison of  
 the Beatles  
  
**G**  
 But he wears his hair  
**Am** **D** **G**  
 Tied in a small bow at the back  
  
**Dm** **G** **C**  
 I love him but it embarrasses me  
**G**  
 To walk down the street with him  
**A** **D**  
 He lives in Brooklyn somewhere  
**A7** **D7**  
 And he wears this white crash helmet  
  
**G** **G7**  
 He has gold chains on his leather jacket  
**C** **G**  
 And on the back is written the names  
**Bm**  
 Mary  
**Em** **G**  
 And Mom  
**C** **G**  
 And Hell's Angels  
  
**G** **D**  
 I would gratefully  
**Em** **C**  
 Appreciate it if you see him tell him  
**G** **Am**  
 I'm in the park with my girlfriend  
**D** **Dsus4**  
 And please  
  
**G** **D**  
 Tell him Angela and I  
**Em** **C**  
 Don't want the two dollars back  
**D7** **G** **Gsus4** **G**  
 Just him!

# True Colors

## Cyndi Lauper

**C**                    **F** **G**  
 You with the sad eyes  
**C**  
 don't be discouraged  
**F**  
 oh I realize  
**Am**                    **G**  
 it's hard to take courage  
**C**                    **Dm**  
 in a world full of people  
**Em**                    **F**  
 you can lose sight of it all  
**Am**                    **G**  
 and the darkness inside you  
**F**                    **C**  
 can make you feel so small  
  
**F** **C**  
 But I see your true colors  
**G**                    **C**  
 shining through  
**F** **C**  
 I see your true colors  
**F**                    **G**  
 and that's why I love you  
**F**                    **C**                    **E7**                    **Am**  
 so don't be afraid to let them show  
**F** **C**  
 your true colors  
**F** **C**                    **G**  
 true colors are beautiful  
**Am** **G** **C** **F**  
 like a rain - bow

Show me a smile then  
 don't be unhappy, can't remember  
 when I last saw you laughing  
 if this world makes you crazy  
 and you've taken all you can bear  
 you call me up  
 because you know I'll be there

And I'll see your true colors  
 shining through  
 I see your true colors  
 and that's why I love you  
 so don't be afraid to let them show  
 your true colors  
 true colors are beautiful  
 like a rainbow

# Fisherman's Blues

## The Waterboys

G F Am C

I wish I was a fisherman  
 Tumbling on the seas  
 Far away from dry land  
 And it's bitter memories  
 Casting out my sweet line  
 With abandonment and love  
 No ceiling bearing down on me  
 Save the starry sky above

### Chorus

With light in my head, you in my arms  
 Woo (last time only)

I wish I was the brakeman  
 On a hurtlin' fevered train  
 Crashing headlong into the heartland  
 Like a cannon in the rain  
 With the beating of the sleepers  
 And the burning of the coal  
 Counting the towns flashing by  
 In a night that's full of soul

### Chorus

Oh I know I will be loosened  
 From bonds that hold me fast  
 And the chains all hung around me  
 Will fall away at last  
 And on that fine and fateful day  
 I will take me in my hands

I will ride on the train  
 I will be the fisherman

### Chorus

Light in my head, you in my arms  
 Light in my head, you in my arms  
 Light in my head, you in my arms  
 Light in my head, you in my arms  
 Light in my head
