Now list to the breeze,
 That biddeth the trees
 Discourse their soft music
 Thy fancy to please.
 O rest on my knee,
 O sleep on my knee;
 The angels are watching—
 Are watching o'er thee!
 Now fadeth the light,
 And blackbirds unite
 To usher with gladness
 The stillness of night.
 O rest on my knee,
 O sleep on my knee;
 The angels are smiling—
 Are smiling on thee!

Clyw'r awel ddi ludd,
 Yng nghanau y gwydd.
 Yn murmur ei hemyn
 Ar derfyn y dydd.
 O gorffwys mewn hedd,
 O huna mewn hedd;
 Mae engyl gogoned
 Yn gwylid dy wedd!
 Clyw adar y llwyn
 Yn pyngcio mor fwyn,
 A'r oll yn ymuno
 I' th suo a'u swyn.
 O gorffwys mewn hedd
 O huna mewn hedd;
 Mae engyl yn dotio
 Wrth wylid dy wedd!
