

I'M YOURS

Well you done done me and you bet I felt it
I tried to be chill but you're so hot that I melted
I fell right through the cracks
Now I'm trying to get back
Before the cool done run out
I'll be giving it my bestest
And nothing's going to stop me but divine intervention
I reckon its again my turn to win some or learn some

I won't hesitate no more, no more
It cannot wait, I'm yours

Well open up your mind and see like me
Open up your plans and damn you're free
Look into your heart and you'll find love love love love
Listen to the music of the moment people dance and sing
We're just one big family
It's our God-forsaken right to be loved loved loved loved loved

So I won't hesitate no more, no more
It cannot wait I'm sure
There's no need to complicate
Our time is short
This is our fate, I'm yours

Do you want to, come on, scootch over closer dear
And I will nibble your ear
