2.5.5.5:

They pave paradise & put up a parking lot  
With a pink hotel, a boutique and a swinging hot spot.  
Don't it always...

1) They took all the trees and put 'em in a tree museum  
And they charged the people a dollar and a half  
Just to see them

Don't it always...

3) Hey Farmer, farmer, put away that DDT now  
Give me spots on my apples but leave me the birds &  
the bees please.

Don't it always

4) Late last night, I heard the screen door slam  
And a big yellow taxi took away my old man.

Don't it always...

I said, don't it always...
