Gravity - Sara Barielles

Intro: C Am

F G
Something always brings me back to you.

C Am
It never takes too long.

F G C Am
No matter what I say or do I'll still feel you here 'til the
moment I'm gone.

F G
You hold me without touch.

C Am
You keep me without chains.

F G C
I never wanted anything so much than to drown in your love and
Am
not feel your rain.

[CHORUS]

F G C
Set me free, leave me be. I don't want to fall another moment
into

Am
your gravity.

F G C Am
Here I am and I stand so tall, just the way I'm supposed to be.

F C
But you're on to me and all over me.

F G
You loved me 'cause I'm fragile.

C Am
When I thought that I was strong.

F G C Am
But you touch me for a little while and all my fragile strength
is gone.

[CHORUS]

F G
I live here on my knees as I try to make you see that you're
F
everything I think I need here on
Am
The ground.

F G
But you're neither friend nor foe though I can't seem to let you
go.

F G C Am
The one thing that I still know is that you're keeping me down

Feels Like Home - Chantel

D A D
There's something in your eyes,
A
Makes me want to lose myself,
G D A
Makes me want to lose myself, in your arms.
D A D
There's something in your voice,
A
Makes my heart beat fast.
G D A
Hope this feeling lasts, the rest of my life.

Bm G D A G
If you knew how lonely my life has been,
G D A
And how long I've been so alone.
Bm G D A G
And if you knew how I wanted someone to come a - long,
G D A
And change my life the way you've done.

D A
It feels like home to me, feels like home to me,
G D A

It feels like I'm all the way back where I come from.
It feels like home to me, feels like home to me,
It feels like I'm all the way back where I belong.

A win - dow breaks down a long dark street,
And a siren wails in the night.
But I'm all right, 'cause I have you here with me.
And I can almost see through the dark there's light.

If you knew how much this moment means to me,
And how long I've waited for your touch.
And if you knew how happy you are ma - king me,
I've never thought I'd love anyone so much.

It feels like home to me, feels like home to me,
It feels like I'm all the way back where I come from.
It feels like home to me, feels like home to me,
It feels like I'm all the way back where I belong.
It feels like I'm all the way back where I belong.

Tailor Made - Colbie Caillat

Capo on 7th Fret

Em
Twenty-five,
All of these mixed emotions,
G D
Tangled up in pure confusion,
Em C
It's hard to let go of the past, but it seems,
G C
Easier as time is moving,
Em C
Well you said he makes you laugh,
Em C
And he makes you happy,
Em C
He sees you smiling back,
Em C D
It is everlasting,

CHORUS:

And so he's tailor made for you,
D
With stunning golden hues,
C
And one sweet tone to soothe,
Em
Your persistent beating heart it's just a start,
G D
And I, have seen you everyday,
Em
You've never been like this before,
C G

He's tailor made, tailor, tailor made,

Em C
So let go all of these mixed emotions,
G D
Forget all your hesitations,
Em
Together entwined inside this feeling,
G D
Feet off the ground, head hits ceiling,
Em C
Then he whispered in your ear,
Em C
He's absolutely falling,
Em C
The words he said are clear,
Em C D
So don't insist on stalling

CHORUS:

Em C
Oh sister, don't be troubled,
Em C
Oh sister, please be calm,
Em C
Cause this isn't, what you're used to, at all,

CHORUS:

our time is short

it cannot wait, i'm yours
