W. S. MARSHALL.

(Melody in 1st Bass.)

1. Do you hear the Sav-ior call-ing, By the wooings of his voice?
2. By his Spir-it he is wooing, Soft-ly drawing us to him;
3. By his Word of Truth he's speaking To the wand'ring, erring ones;
4. In his prov-i-den-tial deal-ing, E-ven in his stern decrees,

Do you hear the accents fall-ing? Will you make the precious choice?
Thro' the day and night pur-suing, With his gen-tle voice to win.
List! the voice the stillness breaking! Hear the sweet and sol-umn tones!
In the loud-est thun-ders pealing, Or the murm'ring of the breeze.

REFRAIN.

List'ning! List'ning!
I am list'ning, oh, I'm list'ning, Just to hear the ac-cents fall!

Repeat Ref. pp.

List'ning! List'ning!
I am list'ning, oh, I'm list'ning, To the Savior's gen-tle call!
