

CYCLES Frank Sinatra

So I'm down and so I'm out..

But so are many others;

So I feel like tryin' to hide m
My head beneath these covers,
Life is like the seasons -
After winter comes the spring.
So I'll keep this smile awhile,
And see what tomorrow brings
I've been told and I believe
That life is meant for livin';
And even when my chips are low,
There's still some left for givin'.
I've been many places,
Maybe not as far as you;
So I think I'll stay awhile
And see if some dreams come true.

(Bridge:)

There isn't much that I have learned
Through all my foolish years
Life keeps runnin' on in cycles -
First there's laughter, then those tears.

But I'll keep my head up high,
Although I'm kinda tired;
My gal just up and left last week;
Friday, I got fired.
You know it's almost funny,
But things can't get worse than now,
So I'll keep on tryin' to sing...

But please, just don't ask me how.
