Big, big world

Refr.

*I'm a big, big girl in a big, big world
It's not a big, big thing if you leave me
But I do, do feel, that I do, do will
Miss you much, miss you so much*

*I can see the first leaves falling
It's all so yellow and nice
It's so very cold outside
Like the way I'm feeling inside*

Refr.

*Outside it's now raining
And tears are falling from my eyes
Why did it have to happen?
Why did it all have to end?*

Refr.

*I have your arms around me
Warm like fire
But when I open my eyes
You're gone*
