Verse 2:

A window breaks down a long, dark street,
 And a siren wails in the night.
 But I'm alright 'cause I have you here with me,
 And I can almost see through the dark, there's a light.
 If you knew how much this moment means to me,
 And how long I've waited for your touch.
 If you knew how happy you are making me,
 I've never thought I'd love anyone so much.
 (To Chorus:)
