Verse 2:

You're the one I've always thought of,
 I don't know how but I feel sheltered in your love,
 You're where I belong.
 And when you touch me, if I close my eyes,
 There are times I swear I feel like I can fly.
 For a moment in time,
 Somewhere between the heavens and earth,
 I'm frozen in time,
 Oh, when you say those words.
 (To Chorus:)
