2. Can't get my motor to start  
Try lookin' under the hood

Can't get my motor to start  
Try pullin' out on the choke

Can't get my motor to start  
Try lookin' under the hood

Can't you get it to go?  
Lookin' under the hood

Is your batterie low?  
Never did any good

No. I don't think so.  
The choke, must be broke.

Try beatin' down with your feet  
Try pullin' out all the wires

Looks like she's startin' to clank  
Try stuttin' cheese in the cracks

Let's take the gasoline out  
Try dynamitin' the tank

Try puttin' beer in the tank  
Smash all the glass with an ax

Bring the beer over here  
Do you have any grease?

Cause I need it to steer  
 Put it over the seats

1. What did you do to my car?  
 We wanna go for a ride

2. What did you do to my car?  
 Let's push her over a hill

What did you do to my car?  
 We wanna go for a ride

What did you do to my car?  
 Let's push her over a hill

Well we took it apart  
 Better not get inside

What did you do to my car?  
 We wanna go for a ride

But we can't make it start  
 Cause it's startin' to slide

What did you do to my car?  
 Let's push her over a hill
